

# PURE NAPKIN CALIFORNIA

## Coming Up for PNC

We are so excited to announce that PNC products will now also be available through SYSCO. Please contact your local SYSCO for more information. Alternately, orders may still be made directly through PNC.

We have thankfully outgrown our current space! Our warehousing needs will now be made easier through Restaurant Packaging Group, who will also help service the greater Los Angeles area.

We also want to give a shout out "thank you" to SJ & Associates for all their hard work for PNC!
