

HAPPY EARTH DAY

PURE NAPKIN
THE GREEN TOWEL IN WHITE

from

Happy Earth Day!

We at Pure Napkin California believe that every little bit counts. That is why we are so proud that our Pure Napkins are made mostly of bamboo, and are bio-degradable! They also only need 2Tsp. of water to expand into a full sized napkin.

Besides being completely Earth Friendly, Pure Napkins are really fun and entertaining! Join us in being kinder to the Earth, while also giving your guests a practical, and fun experience!

If you have any questions please feel free to email us at:
